Dear Mr. Conway,

We are writing this letter in response to your attached inquiry letters covering the October Quarterly Report, the Amended October Quarterly Report, the 30 Day Post-General Report, and the Amended 30 Day Post-General Report. These letters were received by our offices within the last two weeks.

Due to the tremendous volume of transactions processed by the campaign and the amount of data you currently require, we find it impossible to respond to your requests in an accurate and timely fashion given the time frame allowed. Therefore, we are respectfully requesting an extension of ten days in order to provide you with a more accurate and comprehensive reply.

We thank you in advance for your patience and understanding. Please feel free to contact us should you have any questions, comments or concerns.

Very truly yours,

Anthony J. Piccirillo, Treasurer

Quarterly Report (8/24/00-9/30/00), dated 3/14/01

Dear Mr. Piccirillo:

Previously, your committee received correspondence from the Commission after its review of the original report referenced above. Your committee's response did not adequately address the following:

Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-Primary Report. A list of the contributions for which a 48 hour notice is missing is attached. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. (11 CFR §104.5(f)) To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period.

Although the Commission may take legal action, any response you wish to provide concerning this matter will be considered. Should your review determine that the contributions listed were not completely or correctly reported, you must amend your original report using the correct information.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you

need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
